

Measures undertaken for the safe practice of recreational golf.

Introduction

This document outlines the measures to be taken by la cala golf club, for the safe practice of golf, always in accordance with the general limitations imposed by the Spanish Health Administration.

All employees of La Cala are informed of the compliance of the described protocols and the requirement to apply them.

The protocols contemplated are divided into two parts: Facilities and Maintenance.

Facilities

RECEPTION

- All reservations be channelled on-line or by telephone.
- Payment of the services preferably made in advance and online.

ADMINISTRATION

- Administration services are offered by telephone or on-line.

GOLF BAG STORAGE ROOM

- Minimize the use of the golf bag storage room.
- Members are encouraged to keep their golf equipment with them.

GOLF COURSE

- Fountains, sinks, benches, etc. are closed/ removed.
- The holes are fitted with a system that prevents the ball from falling into them.
- The rakes have been removed from the bunkers.

DRIVING RANGE

- Social distance must be guaranteed.
- All elements of the driving range area must be regularly sanitized
- Payment for this service will be made preferably on-line or by card.
- Golf professionals follow the protocols during their work.
